Angola, Costa Rica, Croatia, Cyprus, Ecuador, El Salvador, Guatemala, Honduras, Mexico, Nicaragua, Panama, Paraguay, Rwanda and Venezuela: draft resolution

Assistance for the reconstruction and development of El Salvador

The General Assembly,

Recalling Security Council resolution 784 (1992) of 30 October 1992 and reaffirming its resolution 47/158 of 18 December 1992,

Having considered the report of the Secretary-General, 1/

Noting the progress made in implementing the commitments assumed as a result of the signing on 16 January 1992 at Mexico City, of the Chapultepec Agreement 2/ between the Government of El Salvador and the Frente Farabundo Martí para la Liberación Nacional, which put an end to the armed conflict in El Salvador through a process developed under the auspices of the Secretary-General,

Recognizing that El Salvador is at a critical stage of transition and that international cooperation will help to overcome the difficulties which have arisen and to implement fully the commitments assumed under the Chapultepec Agreement,

1/ A/48/310.

2/ A/46/864-S/23501, annex; see Official Records of the Security Council, Forty-seventh Year, Supplement for January, February and March 1992, document S/23501.

Noting that, in spite of national efforts and the support given by the international community to the implementation of priority programmes in the National Reconstruction Plan and the strengthening of democratic institutions, some of these programmes have been affected by, inter alia, the limited availability of financial resources,

1. Expresses its appreciation to the Secretary-General and the "group of four friends", Colombia, Mexico, Spain and Venezuela, and to the United States of America and other States which are helping to build peace in El Salvador;

2. Expresses its gratitude to the international community, especially the cooperation community, to the specialized agencies of the United Nations system, and to other governmental and non-governmental organizations for the technical and financial assistance which they have provided to El Salvador to supplement the effort to build peace;

3. Recognizes that the implementation of the National Reconstruction Plan and the strengthening of democratic institutions are efforts complementary to the peace process; they reflect the collective aspirations and needs of the country, being means of overcoming the root causes of the crisis and of consolidating peace, democracy and human development;

4. Calls upon the signatories to the Chapultepec Agreement to expedite the implementation of any remaining commitments under that Agreement, in order to guarantee fully the building of peace in El Salvador and hence to encourage the international community to increase the level of financial resources accorded to priority projects for reconstruction, development and the strengthening of democratic institutions in El Salvador;

5. Calls upon the Government of El Salvador to consider the possibility, in the implementation of projects under the National Reconstruction Plan in areas affected by the conflict, of greater involvement of non-governmental organizations which have addressed the needs of the populations of those areas, with a view to making the projects more sustainable and facilitating increased participation by civilian society in decisions affecting its future;

6. Emphasizes the importance of external technical and financial assistance to the implementation of the complementary efforts for building peace;

7. Again requests the Secretary-General to take the necessary measures and make every possible effort to mobilize material and financial resources in a timely manner and in the necessary amounts, in keeping with the requirements for the progress of priority programmes in El Salvador;

8. Decides to include in the provisional agenda of its forty-ninth session an item entitled "Assistance for the reconstruction and development of El Salvador", and requests the Secretary-General to submit a report on the implementation of the present resolution.
